- French - native
- Sign-language - native

Interests

- Computer science
- Aviation
- Hiking
- Reading

References upon request

About

Recently graduated from **#1 web development bootcamp in the world, Le Wagon** and now ready to start a new life in Canada. My **curiosity** and **keen desire to learn and improve** lead me to make that change. My previous experiences taught me how to work in total **autonomy** and to **bear** intense **pressure** surges. I'm looking forward to bringing my contribution to your team.

Last experience

Le Wagon Full-Stack Rails Bootcamp | Paris | Jan 2020 - Mar 2020
9-week intensive coding and product oriented bootcamp learning **Ruby, HTML, CSS, Bootstrap, JavaScript ES2015,SQL, git, GitHub, Heroku, PostgreSQL** and **Ruby on Rails**.

Web development projects

Orator Coach - application that addresses the fear of public speaking by recording yourself talking about a subject in front of participants that can submit real time reviews. Built in a team of 4 using team development tools with Rails, HTML, CSS, Javascript programming languages.

Experiences

Train Driver/instructor | SNCF | Paris - Nov 2014 - Dec 2019
Operating on commuting lines in Paris area following strict standard operating procedures in a stressful environment. Teaching new drivers during their initial training.

Truck Driver | L. Chabot | Winnipeg - May 2013 - Sep 2013
Driving trucks in heavy construction industry (road construction, site development…).

Grocery Clerk | E.Leclerc | Tours, France - Sep 2012 - Jan 2013
Preparing sale displays, ensuring the store is clean, stocking products, and processing customer orders.

Refrigeration Mechanic | SEMR | Tours, France - Sep 2010 - Aug 2012
Installing, repairing, and troubleshooting commercial refrigeration systems for restaurants, bars, hotels.

Education

Full-Stack Web Developer certification | Paris | 2020

Refrigeration Vocational Diploma | St Pierre des Corps, France | 2012
Two years apprenticeship program
